CARE & MAINTENANCE

Storage:

Can be stored and transported in their original cartons at ambient temperatures 0°C to 30°C (32°F to + 86°F)

May be stored in the dark for up to 5 years. Do not store in direct/ high heat or sunlight as this may distort the shell.

Lifetime:

The Centurion helmet has an in-use life of up to 5 years.

Excessive wear and tear can considerably reduce the lifespan of the product.

Cleaning:

Clean using warm soapy water and soft cloth.

Disposal:

Recycling is preferred when possible. Look out for the recycling symbol for material category.
